**Summary of reasons
for classification:**

The DVD entitled *Kaviar Amateur Vol. 12* is classified as:
Objectionable.

The publication is deemed objectionable under s3(2)(d) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act) because it promotes and supports the use of urine and excrement in association with degrading or dehumanising conduct or sexual conduct. The publication has been solely created to sexually arouse those with an interest in coprophilia and/or urolagnia.

The classification of this publication interferes with the freedom of expression, as set out in section 14 of the New Zealand Bill of Rights Act 1990. This outcome is consistent, however, with Parliament's intention that publications that fall under s3(2) of the FVPC Act are deemed objectionable.
